

Welcome to Real Estate Connection

Real Estate Connection (**REC**) is a fully managed lead and real estate service provider with Realtor coverage across the entire United States. REC enables mortgage lenders to effectively compete, grow and scale within the digital mortgage arena. Through REC's Lead Generation partners, transaction management system, and closing coordination REC takes buyers from initial engagement to final closing in a team-like fashion with all parties.

✓ Path to Purchases...

- REC provides lenders a fully integrated, fully managed buyer engagement and conversion process.
- REC pairs buyer leads with local **5-star Realtors** to work with the MLO in a team-like fashion.
- The REC process gets buyers out looking at homes and under contract 20% faster and REC LO's retain 94% of the pre-qualified buyer.
- REC consistently nurtures and closes buyers with a time frame of more than a year.
- REC empowers MLO's to enter new markets and expand upon their business by connecting with more buyers and real estate agents.

✓ REC enables lenders to...

- Build a pipeline of pre-approved buyers that are retained by a local REC agent.
- Ensure your buyers view homes with your local boots the ground real estate team.
- Bypass outdated MSA or Desk Agreements by working with active buyers.
- Build and grow relationships with local high producing agent teams.
- Participate profitability in the online buyer digital lending marketplace.
- Grow and expand into new markets areas.
